REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claims are allowable over the prior art of record because the prior art fails to show or suggest, either singly or in combination thereof, a two-piece seat elevating assembly, including a mounting bracket with two horizontal arms, a seat board supporting frame pivotally connected to the mounting bracket, the frame including a front and rear portion pivotally connected together. Two links are connected at one end to the free ends of the mounting arms, and at the other end to lateral sides of the rear portion of the frame, wherein a parallelogram linkage is formed. A telescoping lifter is connected between the seat base and the rear portion of the frame for elevating the rear part of the frame while maintaining its horizontal position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter R. Brown whose telephone number is 571-272-6853. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
